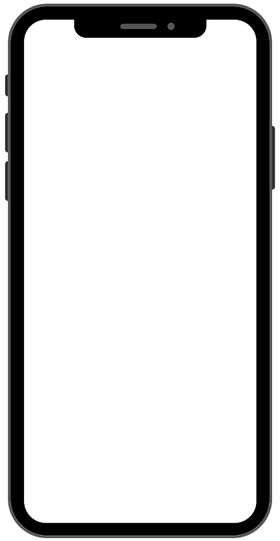
Contactless Employee Attendance

WITH GEO-LOCATION

Still Using Fingerprint Scanner?

- Not Hygenic
- Not Contactless
- Operational overheads

Pre Covid-19



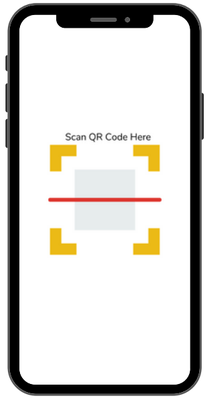
- End to End **Contactless**
- Progressive Web App
- Cloud Storage
- No external hardware required

Post Covid-19

Why Visity?

- End to End Contactless Solution
- Easy to setup - Get started in 15 mins!
- Browser compatible on iOS & Android - No need to install app!
- Geo-location enabled for on field employees
- Cloud storage - access data from anywhere

How it works?



Step 1
Setup QR Code at office reception

Step 2
Employee scans QR code for Check-In / Check-Out

Step 3
Check-In / Check-Out Successful
