3D Wash Technology

The breakthrough innovative of 3D wash technology uses three spray arms to maximize water spray to all corners of the dishwasher and saves up to 15% time. Exceptional cleaning result in a faster and quieter way.

Other Unique Futures

Zone Wash

Upper, lower or both, zone wash provides targeted cleaning in the selected wash zone, so no more waiting to get a full dishwasher load to run a cycle.

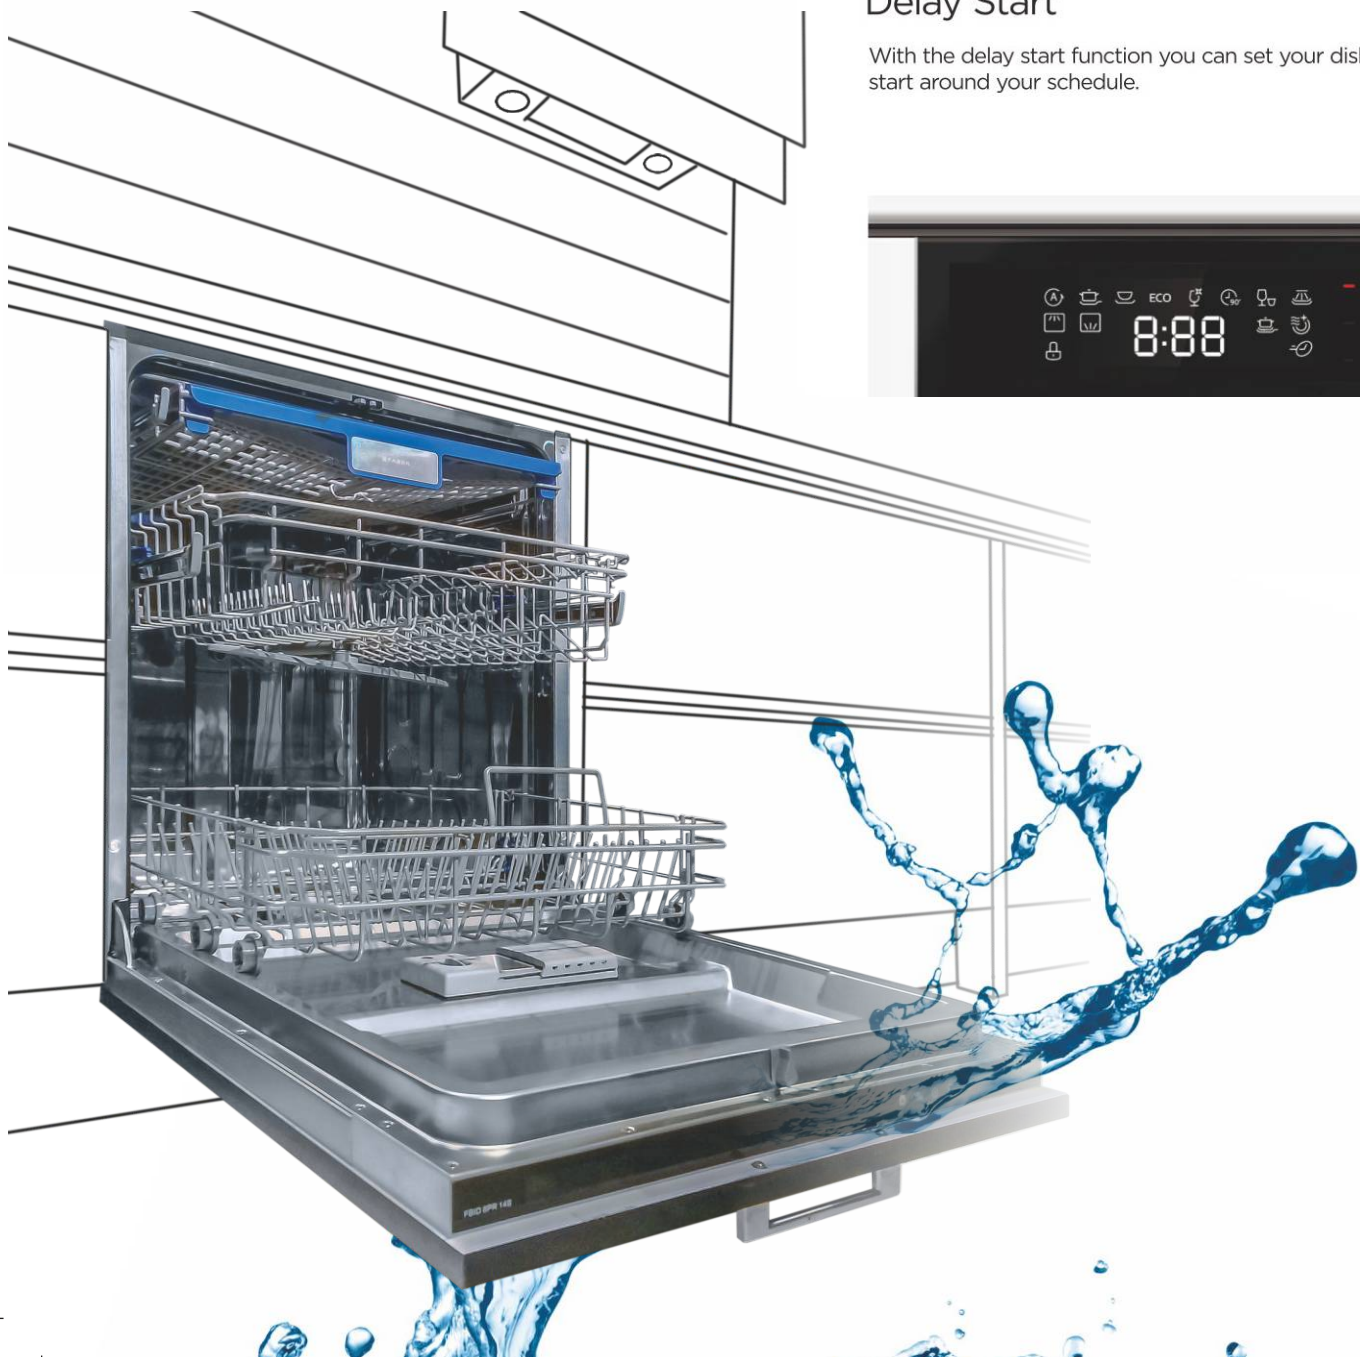

Half Load

Less resource consumption with half load option. No longer need to wait for a fully loaded dishwasher to start the cleaning.

Delay Start

With the delay start function you can set your dishwasher to start around your schedule.

Other Unique Futures

Infinite Plus Cutlery Drawer

Our new cutlery drawer is more flexible and safer than ever.

Not only slidable to provide extra space for tall utensils in the middle rack but now also foldable.

The moving part of the tray can now be lowered for offering extra room for coffee mugs, egg beater, etc, while providing easy access to silverware.

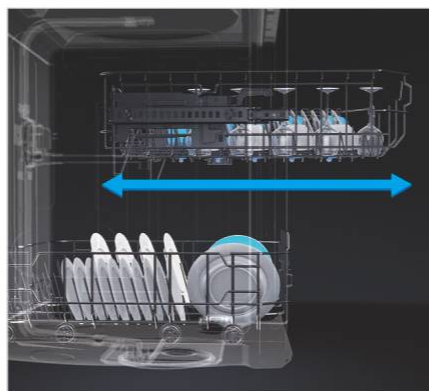

Height-adjustable Basket

More room can be created with the height-adjustable upper basket to accommodate tall stemware in upper basket or extra large bakeware in lower basket.

Soft Close Baskets

Smooth, quiet, and secure close of the basket with the soft close feature, so no more banging and knocking of the baskets on the tub.

Glide Rail

The ball bearing basket slides are designed for smooth glide in and out of the baskets with loads as heavy as 9 kg. With just simple push or pull the baskets can easily move in the way you want.

FFSD 6PR 12S

FEATURES:

- 12 Place capacity
- White Finish
- Half load
- Height adjustable upper rack and foldable racks
- Power Memory
- Electronic Push button control
- Display
- Natural Drying
- 1-24 hours Delay
- Salt and rinse aid indicators
- Electronic Aqua Stop

SPECIFICATION:

- A++/A/A (energy, cleaning, drying)
- 6 Washing Programs: Intensive, Normal, Eco, 90min, Glass and Rapid.
- Product Dimension (H*W*D mm): 845*598*600
